The image shows a GitHub profile page for the user 'madhushankast'. The profile picture is a green and white pixelated character. The username 'madhushankast' is displayed below the picture, with an 'Edit profile' button. To the right, under 'Popular repositories', there is a repository named '231205' with the description 'GIT in software engineering module' and a 'Public' label. Below this, the '13 contributions in the last year' section shows a calendar grid from August to July. The grid has green squares indicating contributions on specific days. To the right of the calendar is a 'Contribution settings' dropdown and a year selector set to '2024'. Below the calendar, there is a section for '@code50' with an 'Activity overview' showing contributions to 'code50/148999856', 'madhushankast/231205', and 'madhushankast/SCS1301-LUDO-li...'. A horizontal bar chart shows '100% Commits' and 'Code review' and 'Issues' are also listed. The bottom of the page shows the Windows taskbar with the search bar, task view, and various application icons. The system clock shows '2:42 PM 8/8/2024'.
